

MCKINLEY

STEAM ACADEMY

Presents "The Grizzly Cove".

The Grizzly Cove

All McKinley students who are eligible may choose food to take home for themselves and families weekly. Grizzly Cove is located in room 100. Students will be able to pick up food to take home every Friday after dismissal or the day preceding school break.

Eligibility

Students are eligible according to the Emergency Food Assistance Program (TEFAP) guidelines. **If the student's household already participates in the SNAP program and/or Free and Reduced lunches, you already qualify.**

Signing Up

A TEFAP form needs to be completed by a parent EVERY school year in order for the student to participate. Forms may be found on the McKinley website, Grizzly Cove, or Mr. Ortega's room (room 215). Please return all signed forms to Mr. Ortega's room or the main office.

The Food Choices

Food choices vary weekly. They typically include cereals such as Honey Nut Cheerios and Lucky Charms and canned goods such as green beans, corn, carrots, vegetable

soups, mixed fruits and peaches. Assorted snacks and fruit snacks along with juices, frozen hamburger, frozen chicken and canned tuna are also offered. Fresh foods such as milk, fruits, and vegetables are offered when available. Please encourage your son or daughter to take food that will be useful for all family members as well as themselves.

Questions

If you have any questions or assistance filling out the eligibility form do not hesitate to contact Mr. Ortega at (319) 558-2348 or rortega@crschools.us. Please encourage your son or daughter to take part in this opportunity! **It's completely free to you and a chance to bring home a few extra goodies on the weekend.**
