## **Spring Intramural Activities (In Person and Remote/CRVA)**

Dear McKinley Parents/Guardians and Students:

The Cedar Rapids Community School District made the difficult decision to cancel all spring activities. While this was a difficult decision for all, we were given permission to proceed with offering spring intramural activities. This will allow for all students to be involved in athletics and fine arts on a limited basis until the end of the school year.

Students will be expected to follow the District's PPE requirements

- Social distance
- Students must follow the District's guidelines on Masks and Face Shields. Guidelines can be found on the District's website or by [clicking here](#).
- Hand sanitizer will be available
- Bring your own water bottle
- No food
- No family members or visitors in the building

### **Expectations**

- Activities will begin promptly at 3:00 pm so students must report directly to assigned location after school
- Students are to remain in their assigned cohort and location during the entire activity. Grade levels will not be allowed to mix cohorts, nor will in-person students be allowed to attend intramurals during the week designated strictly for remote students.
- Activities will end no later than 4:00 pm
- Students must arrange transportation ahead of time
- Parents/visitors will not be allowed in the building. Parents will be asked to wait in their cars for their student
- Students must leave the building after school if it is not their assigned week
- Students will not be allowed to go to a different activity to join other friends that may be in a different cohort
- Any student causing behavior issues will be asked to leave the school grounds immediately

## **Schedule**

The intramurals will be offered Monday through Thursday beginning March 22 (see schedule below). We will begin with 8th grade, followed by 7th, 6th, and remote. Cohorts will be assigned to a specific activity/location each day. We will rotate week to week by grade level. If a student does not want to participate in the activity assigned for that day, he or she will need to leave the building and go home. Students cannot mix cohorts.

## **Supervising Staff Members**

Mr. Kenny--Activities Coordinator and track coach

Mr. Smith--track coach

Mr. Hollander--track coach

Mr. Konzen--project lead the way teacher

Mr. Torres--health/wellness teacher

Mr. Goff--tennis coach

Mrs. Cerqueira--soccer coach

Mr. Malcolm--basketball coach

**Fine Arts.** Mrs. Phelan, Mr. Mnayer, and Mr. Mossman will be providing communication regarding VIRTUAL intramurals for band, orchestra and vocal.

**Remote/CRVA Students.** Please complete this survey. [SURVEY LINK](#). Once we tabulate the results, we will prepare a schedule and communicate it out to remote/CRVA families/students.

Students will be involved in various athletic opportunities. We will utilize the large gym, small gym, the school weight room, the hallways, soccer field, and tennis court. The overall focus of the intramurals will be on speed training, introduction to the weight room, and soccer and tennis skill development.

Please feel free to contact Mr. Kenny at [mkenny@crschools.us](mailto:mkenny@crschools.us) with any questions. While this may not be spring activities as we have been accustomed to, at least it is a way for our students to be active and to improve their athleticism.
